

American Society of Limnology and Oceanography (ASLO)
Publishing Agreement

Manuscript Number: _____ **Journal:** *Limnology and Oceanography: Methods*

Manuscript Title: _____

Author(s): _____

All authors must agree to transfer copyright for their accepted papers to ASLO in order to ensure long-term public access to the document and to protect the author(s) and ASLO from the consequences of unauthorized re-publication and dissemination.

1. I hereby transfer to the American Society of Limnology and Oceanography (ASLO) full and complete ownership of any copyright with respect to the work named above including all electronic versions, with the understanding that ASLO grants certain rights back to the author (see item 5 below for privileges).
2. If there is more than one author, I certify that I am the duly authorized agent for all other authors in the work. If the work has been prepared by an employee within the scope of his/her employment, the employer shall have the same rights granted to individual authors.

Please initial below if the statement applies:

_____ These initials certify that the work named above was prepared by an employee of the United States of America (USA) or Canadian (CA) governments as part of official duties and cannot be copyrighted by ASLO but may be freely copied, republished, and redistributed with proper citation to *Limnology and Oceanography: Methods*.

3. I certify that I obtained written permission to use any quotations or excerpts from another work or from another's property not in the public domain or covered by fair use provisions of the U.S. Copyright law. Proper acknowledgement has been given in the article for the use of such material.
4. I agree to refer to ASLO all requests to re-publish or reprint the whole or any part of the article, including my own requests.
5. **Rights of an author:**
 - a) All proprietary rights other than copyright (such as patent rights).
 - b) The right to present the material orally.
 - c) The right to distribute print or electronic versions of articles and portions of articles for professional purposes, with proper citation to *Limnology and Oceanography: Methods*.
 - d) The right to make and distribute print and electronic copies of all or part of the article for **nonprofit** classroom use.
 - e) The right to deny subsequent commercial use of the article.
